

## Request for Scan Forms

### A Public Health Response to Asthma

Broadcast date: May 17, 2001

Course number: SB0039

---

**Important Note: Scan forms are to be used ONLY by those who do not have Internet access and cannot complete the evaluation and exam on-line.**

**Help us serve you better by using the online learner support system.** It is quicker, more efficient and keeps the costs down. Find it at <http://www.phppo.cdc.gov/phtnonline>  
Online, you can:

- select a site and register for the broadcast
- take the posttest and evaluation
- print a continuing education certificate
- maintain an electronic transcript of your CDC continuing education courses

**If you cannot access the Internet and need scan forms, please request them by either of these methods:**

1. E-mail: **CE@cdc.gov** .  
Specify your name, full address, daytime phone number, and the course name and number.
2. Fax: Place a toll-free call from a touch tone phone to **888-CDC-FAXX (888-232-3299)**. When prompted, enter **document number 564007**, then enter your 10 digit fax number. You will receive your fax within a few minutes. Complete the request form and return it by fax to **404-639-0800**.

---

Please remember to specify:

number of sets of scan forms you need

your telephone number, in case we have a question

If you need a copy of the evaluation and exam questions, please go to <http://www.cdc.gov/phtn/asthma/> and click on Course Materials.
